

For these devices/software we cannot provide any spare parts or support anymore:

- **AP200** - Connection tester
- **DOSSAM** (all versions) - Control software
- **DS311** - Error calculator
- **EPZ301, EPZ305, EPZ303-1** - Reference meter
- **COM303-x** - Comparator
- **ET113, ET114** - Handheld terminal
- **ILM03** - Comparator
- **MZ103** - Measuring device for TPZ
- **N1xx** - Power supply
- **NT110** - Electronic chronometer
- **RMM303-x** – Reference Multimeter
- **RP, RPE** - Relay test set, source
- **SES301** - Interface unit
- **TK109, TK301, TK303, TK311, TK323** - Scanning head
- **TPZ108, TPZ120** - Portable reference meter
- **TPZ301, TPZ303, TPZ306, TPZ308** - Portable reference meter
- **UB, UBS, UBA** - Load converter
- **V107, V114, V115, V116** - Amplifier
- **VCS320, VCS325** - Voltage current source
- **VME100, VME104** - Frequency generator
- **WinSAM < 5.xx** - Control software
- **WM1xx** (analog transformer measuring bridge I and U)
- **WM303 I/U**

If you have any questions, please do not hesitate to contact ZERA service department service@zera.de
